ABOUT NPTEL

- A non-profit organization aimed at giving an opportunity to all the students, a high quality technical education from the IITs.
- 1800+ colleges across India are associated with NPTEL today in the form of NPTEL Local Chapters.
- Students from these colleges take up basic/ core/elective or job-oriented courses, depending on their year of study.
- These courses help them gain in-depth domain knowledge and make them employable.

Three Stage Certification Process
